Sandigan suspends Jinggoy for 90 days

By DAPHNE GALVEZ

The Sandiganbayan Second Division has imposed a 90-day preventive suspension against detained Sen. Jinggoy Estrada in connection with his flood control graft case.

The Second Division, chaired by Presiding Justice Geraldine Faith Econg, is handling one of two graft cases filed against the senator, who is currently detained at the New Quezon City Jail in Payatas.

Special session today to formally reorganize Senate

By NEIL JAYSON SERVALLOS

With a secure quorum, the Senate is poised to elect its president and other leaders as it holds a special session today – in accordance with Malacañang's directive – to formally reorganize the chamber, clear the legislative backlog and rescue the expiring promotions of top military officers.

Acting Senate President Sherwin Gatchalian told reporters that the session, which begins at 9 a.m., will have priority

Not counting Sen. Ronald dela Rosa, who is in hiding, two Cayetano bloc senators are missing from the list of petitioners: Joel Villanueva and Mark Villar.

According to information that reached reporters, Villar was not included in the petition because he was "abroad." Meanwhile, Villanueva previously said he would attend today's special session.

Cayetano and Senators Loren Legarda, his sister Pia Cayetano, detained Jinggoy Estrada, Bong Go, Rodante Marcoleta, Imee Marcos, Robinhood Padilla and Camille Villar, along with lawyer Jose Luis Montales, filed electronically their petition for certiorari and prohibition, which included a request for the issuance of a status quo ante order before the SC yesterday.

Named as respondents were Gatchalian and Senators Bam Aquino, JV Ejercito, Francis Escudero, Risa Hontiveros,

Cedric Howell (17 June 1896 – 10 December 1919) was an Australian flying ace of the First World War. He enlisted in the Australian Imperial Force in 1916 and was posted to the 46th Battalion on the Western Front. In November 1916, he was accepted for a transfer to the Royal Flying Corps and was shipped to the United Kingdom for flight training. Graduating as a pilot, he was commissioned as a second lieutenant and posted to No. 45 Squadron RFC in France during October 1917; two months later, the unit sailed to the Italian theatre. Howell spent eight months flying operations over Italy, conducting attacks against ground targets and engaging in sorties against aerial forces and he was credited with shooting down a total of nineteen aircraft. He was awarded the Distinguished Service Order, the Military Cross and Distinguished Flying Cross. He was posted back to the United Kingdom in July 1918. In 1919, Howell was killed while taking part in the England-to-Australia air race. ***(Full article...)***

MAY MASTER'S DEGREE NA AKO! WORK PLS? HEHE

After 9 years, 2 Philippine presidents, 3 national elections, 1 pandemic, 1 residency extension, thousands of pages and countless sleepless nights, my master's journey has finally reached its finish line.

Akala ko 'di ko na mararating ang puntong ito. Ilang beses na akong napanghinaan ng loob, gustong sumuko at ilang beses huminto. Para itong unfinished business na hindi matapos-tapos sa buhay ko. Pero mas pinili ko pa ring tapusin. Mas pinili ko pa rin na huwag biguin ang mga taong sumuporta, nagtiwala at nagbigay ng lakas ng loob sa akin. Tunay ngang "buhay ay 'di karera." Ano't ano pa man, matatapos at matatapos ka rin!

This post-graduate degree would not be possible without the help of all the people I've met during my long road to an MA degree. It is therefore fitting to share this victory and milestone with those who made this dream a reality.

Malinaw ang tiwalang ipinagkaloob ng Senado kay Senate President Gatchalian sa pamamagitan ng labintatlong boto.

Subok na ang kanyang kakayahan, na lalo niyang pinagtibay nang pangunahan niya ang pagbuo ng 2026 national budget.

Sa ilalim ng kanyang pamumuno, siguradong magtatrabaho ang Senado para matugunan ang mga pangangailangan ng ating mga kababayan.

A HAPPILY EVER AFTER! 💍✨

Tom Holland has apparently confirmed that he and his longtime love Zendaya have already tied the knot.

The actor may have ended months of speculation triggered by Zendaya's stylist Law Roach's claim in March that the couple had already held a wedding. In a very 2026 twist, artificial intelligence played a role in the reveal. | via PhilSTAR Life

Sinusuportahan umano ng mga dating miyembro ng majority bloc na sina Sen. Loren Legarda, Sen. Rodante Marcoleta, Sen. Bong Go at Sen. Imee Marcos ang bagong mayorya.

"Trese na sila, eh. Legal na," pahayag ni Legarda.

"Majority rules. This is democracy," ayon naman kay Go.

Ngayong umaga ay inihalal si Sen. Sherwin Gatchalian bilang Senate President ng 13-member quorum.

SAN JUAN - A self-labeled progressive church has drawn attention for embracing practices that goes against the Christian doctrine, including blasphemy and promotion of gender ideology. They became viral recently after inviting drag performer Pura Luka Vega to cosplay as Jesus and even offer communion to churchgoers.

"We are an all-inclusive church, and that means we include even blasphemy," explained Rafael Puno, a church member. "And Pura Luka Vega is literally the patron saint of blasphemy."

Members express satisfaction in having a church that isn't as restrictive as traditional Christian churches.

"Most churches have too many rules and are too judgmental," added Puno. "We simply want to provide a safe place for people to sin comfortably and feel affirmed while doing it."

Meanwhile, HIV testing booths have been set up outside church premises to provide additional convenience to churchgoers.

Hindi dumalo ang siyam na senador sa special session ng Senado ngayong Miyerkoles, Hunyo 17, 2026.

Kabilang din sa mga hindi nakadalo si Senador Ronald "Bato" Dela Rosa, na kasalukuyang nagtatago, habang hindi rin nakadalo si Senador Jinggoy Estrada dahil nakakulong at nasa ilalim ng preventive suspension.

A NEW BEGINNING AWAITS | It's not the end of an era, but the beginning of a new chapter. As the old City Hall building makes way for a modern facility, it leaves behind a legacy of public service while opening the door to more efficient, accessible, and responsive governance for future generations.

Congressman Martin Negafuerta

4h •

🚨🕵️ **ANG MALETA MYSTERY: PINKALAWAN PANIC OR STRATEGIC DISTRACTION?** 🕵️💼🔄

The Office of Congressman Martin D. Negafuerta IV, standing in complete, rock-hard structural alignment with the Ako Biringanon Partylist, pauses all current district infrastructure budget optimizations to address the absolute absurdity of the latest "maleta" (suitcase) narrative! 🏛️🚫

While certain groups—the so-called "Marines 18"—are busy auditioning for their own Senate-platformed soap opera by claiming they delivered suitcases of cash to various government officials, we see through the fog! It is truly a marvel of modern political theater: whenever the heat of the upcoming impeachment trial against our beloved Vice President Sara Duterte gets too high, what's the best way to cool it down? Why, just roll out a group of "ex-Marines" with stories about cash-filled luggage to distract from the real issues!

We must sincerely admire the level of dedication required to perform such "political theater." These witnesses claim they delivered these suitcases, yet when you look at the details—like claiming they delivered money to people who weren't in office at the time, or to aides who have long since passed away—the story starts to look more like a rough draft of a bad crime novel than actual evidence! Some have even been caught misrepresenting unrelated videos of OFW repatriation flights as "proof" of their cash deliveries. It's not "corruption testimony"; it's a desperate, high-level masterclass in how to waste everyone's time while the real legal proceedings loom on the horizon.

The Palace has dismissed these claims as "garbage," and lawmakers have already filed libel and perjury cases against the individuals behind these baseless accusations. But why let facts, sworn affidavits, or basic reality get in the way of a good distraction? If you're going to invent a conspiracy, why not make it colorful? Suitcases, boxes, paper bags—it's all part of the script!

To our beloved constituents: stay sharp! Don't get lost in the luggage. Whenever you see these "maleta" stories popping up, just remember: it's not about the cash, it's about the distraction. Keep your eyes on the real issues, and maybe, just maybe, you'll realize that the only thing inside these suitcases is pure, concentrated political desperation! 🎁🕶️

Alan Peter Cayetano's 23 Days as Senate President

(May 11 – June 3, 2026)

✅ 8 Senate sessions.
✅ 0 bills passed.
✅ 20 Facebook Lives.
✅ 3 press conferences.

Basically, mas marami pang budget at energy ang napunta sa social media at press briefings kaysa sa pagpasa ng batas. Dahil mas inuna pa ang self-promotion kaysa sa totoong trabaho sa Senado.

Worst senate president ever!

So, is that it?

Joel Villanueva and Chiz Escudero changed affiliation and now they are off the hook?

What will happen to their plunder cases? Will it just fade and die a natural death?

What if they're really guilty? Where's accountability and justice?

It sends a wrong signal to the next generations to come. Damn you, Philippines!

WHY DO SOME PEOPLE LOVE JESUS BUT HATE RELIGION? 😳✝️

You hear it everywhere today:

👉 “I love Jesus, but I hate religion.”

👉 “I believe in God, but I don't need a church.”

👉 “I'm spiritual, not religious.”

👉 “Jesus, yes. Religion, no.”

To many people, this sounds wise.

It sounds modern.

It sounds enlightened.

But is it really true?

Or have we created a version of Jesus that exists only in our imagination?

✝️ WHAT PEOPLE USUALLY MEAN

Let's be honest.

When many people say they hate religion, they do not mean they hate God.

Often, they are reacting to something painful.

Perhaps they met hypocritical believers.

Perhaps they were hurt by a religious leader.

Perhaps they saw scandals in churches.

Perhaps they became tired of empty rituals without genuine faith.

And those wounds are real.

But there is a problem:

The failures of religious people do not prove that religion itself is wrong.

If a doctor behaves badly, we do not reject medicine.

If a teacher is corrupt, we do not reject education.

And if some religious people fail, that does not mean God never intended religion.

✝️ JESUS DID NOT COME TO ABOLISH WORSHIP

✝️ JESUS DID NOT COME TO ABOLISH WORSHIP

Many imagine Jesus came to destroy religion.

He did not.

Jesus prayed in the synagogue.

Jesus celebrated the Jewish feasts.

Jesus went to the Temple.

Jesus taught His disciples to pray.

Jesus established sacraments.

Jesus appointed Apostles.

Jesus founded a visible Church.

In fact, Jesus was constantly practicing the true worship of God.

What He opposed was hypocrisy.

He attacked fake religion.

Not religion itself.

✝️ JESUS DID NOT LEAVE BEHIND ONLY A BOOK

Jun 17, 2026 17:28:25

Jun 17, 2026 17:28:29

Jun 17, 2026 17:28:34

✝️ JESUS DID NOT LEAVE BEHIND ONLY A BOOK

Think about it.

If Jesus wanted every person to simply follow Him privately, why did He establish Apostles?

Why did He give authority to the Twelve?

Why did He command them to teach all nations?

Why did He promise to remain with His Church?

Why did He establish Baptism and the Eucharist?

Because Christianity was never meant to be a private spirituality disconnected from a community.

Jesus did not leave behind isolated believers.

He left behind a Church.

✝️ THE DANGER OF "MY PERSONAL JESUS"

Many people say:

“I don't need religion. I just follow Jesus.”

But which Jesus?

The Jesus of Scripture?

Or the Jesus they have invented?

Without a community of faith, many people slowly begin creating a Jesus who agrees with everything they already believe.

A Jesus who never challenges them.

A Jesus who never asks for sacrifice.

A Jesus who never speaks about sin.

A Jesus who conveniently resembles themselves.

That is not discipleship.

That is self-worship disguised as spirituality.

✝️ RELIGION IS SIMPLY FAITH LIVED OUT

At its core, religion means giving God the worship He deserves.

Prayer is religion.

Worship is religion.

Sacraments are religion.

Gathering as believers is religion.

Serving God together is religion.

The question is not whether we will have religion.

The question is whether our religion is authentic or empty.

Because even people who claim to hate religion often have rituals, beliefs, communities, and practices of their own.

Human beings are naturally worshipping creatures.

✝️ JESUS WANTS MORE THAN ADMIRERS

Many people admire Jesus.

They love His teachings about love.

They love His kindness.

They love His mercy.

But following Jesus means more than admiring Him.

It means obeying Him.

Jun 17, 2026 17:28:38

Jun 17, 2026 17:28:43

Jun 17, 2026 17:28:48

It means obeying Him.

And Jesus did not say:

"Create your own spirituality."

He called people into a community of disciples.

He gave them a Church.

He gave them shepherds.

He gave them sacraments.

He gave them a visible family of faith.

✝️ THE REAL PROBLEM

The real problem is not religion.

The real problem is bad religion.

The real problem is hypocrisy.

The real problem is when people perform religious acts while their hearts remain far from God.

And Jesus condemned that repeatedly.

But notice:

He never said:

Jun 17, 2026 17:28:52

He never said:

"Get rid of religion."

He said:

"Make it genuine."

✝️ THE HARSH TRUTH

Some people reject religion because they were hurt.

Others reject religion because they do not want accountability.

Others reject religion because they want God without commandments.

They want a Savior without a Church.

A Cross without sacrifice.

A Heaven without repentance.

A Jesus who asks for nothing.

But that Jesus does not exist.

✝️ THE CONCLUSION

Yes, it is possible to love the idea of Jesus while hating religion.

Jun 17, 2026 17:28:57

✝️ THE CONCLUSION

Yes, it is possible to love the idea of Jesus while hating religion.

But the real Jesus cannot be separated from the worship, community, teachings, and Church He established.

The answer is not to abandon religion.

The answer is to purify it.

Because religion without Jesus becomes empty ritual.

But Jesus without religion becomes a personal invention.

And Christ did not call us to invent our own faith.

He called us to follow Him.

God bless you 🙏

#KilalaninAngPinas **DO YOU LIVE NEAR A VOLCANO?** ... See more

VOLCANOES IN THE PHILIPPINES
Data from Philippine Institute of Volcanology and Seismology (PHIVOLCS) Volcano Catalog as of June 2026
Given its geologic setting, the Philippines is no stranger to earthquakes and volcanic eruptions. Aside from faults and trenches, there are also numerous volcanoes in the country, but the active and potentially active ones are closely monitored because of their potential to erupt and affect communities.
ACTIVE VOLCANO
Active volcanoes are those that have documented eruptions within historical times or erupted within the last 10,000 years, based on material analyses from young volcanic deposits. These are the volcanoes that could erupt again and devastate communities surrounding them.
According to PHIVOLCS, there are 24 active volcanoes across the archipelago and the most active of which is Mayon Volcano (Albay) with more than 50 documented eruptions.
POTENTIALLY ACTIVE VOLCANO
Potentially Active volcanoes, previously known as 'dormant' ones, look young based on their form. They may have erupted within the last 10,000 years, but have no historical or scientific records of eruption. Though these volcanoes are not considered as an immediate threat, they are still being monitored for possible sudden eruptions such as what happened to Pinatubo volcano (Central Luzon) in 1991.
The highest mountain in the Philippines, Mount Apo, is one of those considered as a potentially active volcano. In fact, there are still large sulfuric deposits near its summit, indicating its fiery past.
INACTIVE VOLCANO
Inactive volcanoes are those with no recorded eruptions, and whose physical forms have been heavily weathered and eroded, characterized by deep and extensive gullies.
Many of the known mountains in the Philippines are actually inactive volcanoes. There are 360 known inactive volcanoes in the Philippines to date, according to PHIVOLCS.

SP GATCHALIAN SA MGA SENADOR: MAGSIMULA TAYONG MULI

Hinikayat ni Senate Pres. Alan Peter Cayetano ang mga kapwa senador na magkaisa sa paglilingkod at harapin ang mga hamon ng bansa.

"Sa gitna ng mataas na presyo ng langis at biihin, epekto ng lindol sa Mindanao, banta ng Super El Niño, at iba pang mahahalagang usapin, isa ang inasaahan ng taumbayan: Malasakit, aksyon, at resulta.

[Si Senator Win Gatchalian]
nga po palagi nagsasara ng Senado, stay late in his office, even after adjournment.
As a matter of fact, I hear complaints from your staff that hindi na sila nakakauwi ng disenteng oras dahil overworked daw sila. At palagi nilang tinatanong sa akin: Kailan ko raw siya mahahanapan ng girlfriend para makauwi nang mas maaga?
And that just shows your dedication on how hardworking you are in preparing for the days ahead.

Wala umanong kinalaman sa LRT-1 Cavite Extension Project si Sen. Camille Villar.

Sinabi ito ng senador nang dumating siya sa Senado ngayong Miyerkoles, June 17, kung saan may isinasagawang special session.

Ayon kay Villar, “Wala akong kinalaman diyan, I never participated in anything regarding that, and I welcome any kind of investigation, and I’m confident that the truth will come out."

Dagdag niya, handa siyang makipag-cooperate sa bagong Senate majority.

CAYETANO OUT?

Inihayag ni Sen. Alan Peter Cayetano na may sapat na umanong numero ang grupo ni Sen. Win Gatchalian para opisyal na maghalal ng bagong Senate President.

Sinabi ito ni Cayetano ilang oras bago ang special session ng Kongreso alinsunod sa utos ni Pres. Bongbong Marcos ngayong Miyerkules, June 17.

"After speaking with Sen. Joel Villanueva, it appears our colleagues on the other side will soon have the numbers to elect a new Senate President. I will not stand in the way of that vote, " saad niya.

BLESSING MUNA KAY TATAY ❤️💍

Ibinahagi ni YouScooper Shaira Ranoy ang isang espesyal na sandali noong Marso 1 sa General Trias, Cavite, kung saan bumiyahe pa umano ang kaniyang fiancé na si Emmanuel Tresvalles mula Pasig upang personal na hingin ang pahintulot at basbas ng kaniyang mga magulang bago siya tuluyang yayain magpakasal.

Ayon kay Shaira, mas naging makahulugan ang kanilang engagement dahil sa ipinakitang respeto at sinseridad ni Emmanuel sa kanilang pamilya. Natuwa rin umano siya sa reaksiyon ng kaniyang ama na sa una ay seryoso at tila nakakatakot, ngunit kalaunan ay hindi naitago ang saya at maging ang luha nito para sa kanilang bagong yugto bilang magkasintahan.

May kuwentong nakakakilig ka rin bang nais ibahagi? Ipadala na sa amin gamit ang #YouScoop.

'DILAWAN' ERA

BALIKAN: Kasama si #AlanPeterCayetano sa #TeamPNoy senatorial slate para sa 2013 Philippine midterm elections, kasama sina #LorenLegarda, #ChizEscudero, at #RisaHontiveros.

"Suot ko pa ang gloves kasi kailangan pa rin nating ipaglaban, pero ngayon po hindi na korapsyon sapagkat ngayon sa ilalim ni President Noynoy Aquino, kahit konti po, bawal magnakaw," aniya sa isang kampanya noon.

Pagkatapos ng kaniyang pagsasalita ay kaniyang hinubad ang mga gloves at inihagis sa audience.

Sa isa sa marami niyang Facebook Live speeches ngayong 2026, kaniyang "hiniram" ang LABAN hand sign na madalas iugnay sa pamilya Aquino, bilang umano'y pagpapakita ng paglaban sa Senado, ngunit umani ito ng batikos mula sa August Twenty-One Movement (ATOM).

MAYOR TREÑAS GINBIDA SA IYA MEDIA INTERVIEW SA SINGAPORE ANG PROGRAMA SANG SYUDAD SANG ILOILO AGUD HANDAAN ANG KATALAGMAN NGA DALA SANG MGA KALAMIDAD

Ginbida ni Mayor Raisa Treñas sa isa ka media interview sa Singapore ang mga programa sang Iloilo City Government agud handaan ang katalagman nga dala sang kalamidad.

Gintumod ni Treñas ang protocol nga gindihon matapos ang asod-asod nga mga paglinog sa Syudad sang Iloilo sang nagligad nga tuig.

Suno kay Treñas may ginpaggwa sya nga executive order kon ano ang dapat himuon sang mga eskwelahan kag business establishments kon may linog nga intensity 3 tubtob sa intensity 6.
Ini nga protocol nagatuyo nga mapahagan-hagan ang epekto sa pagtuon sang mga kabataan.

Pahayag sang alkalde nga bangud sang protocol nangin mahapos sang mnga eskwelahan kon ano ang ila himuon kon may linog ukon matapos na ang linog.

“It’s easier for everyone. Like for school they know what to check. We already have in the system who will check, shat to check. They know if they see minor cracks they report to the city hall so that we can assist them with the monitoring of the building to make sure that it’s safe to go back. We really imbedded it in the system so that life must go on even with these earthquakes,” ang pahayag ni Treñas.

Samtang agud mapasiguro ang pagpatuman sini nga programa apisar sang pagbag-o sang liderato ginainstitutionalize ini paagi sa pagdihon sang ordinansa kag paglakip sa mga strategic roadmap sang syudad.

“Like for this disaster preparedness we make sure that it is with our DNA so that everyone will be aware and know what to do when it comes to disaster. To have to have ordinances to institutionalize it. And also it is part of our strategic roadmap so whatever we do we have a vision for the city and we incorporate it in everything that we do because we know it is part of our everyday life,” ang sabat ni Treñas kon mapaano mapasiguro nga magapadayun ang programa bisan magbag-o man ang administrasyon.

Nahibaluan nga ara sa Sinagpore si Treñas bilang isa sa mga panelists sang World Cities Summit.

‘HINDI NAMAN KAMI NANGGUGULO’

Ito ang sagot ni Sen. Imee Marcos nang tanungin kung tapos na ang gulo sa Senado gayong opisyal nang nakapaghalal ng bagong Senate President.

Aniya, gusto lang nilang ipagpatuloy ang trabaho.

Kabilang si Sen. Marcos sa apat na minority senators na dumalo sa special session ng Senado para sa deliberations ng Commission on Appointments (CA) ngayong Miyerkules, June 17.

While everyone's heading to the Philippines, I've been doing tons and tons of video editing 💻✨
During the time with no lives in Japan, I'd be so happy if you could enjoy even a little with the Kamen Joshi or my personal videos ☺️
Honestly, I want to update my personal channel more too... but I've got a ton of unedited footage (lol)

Zac Efron's Lord Farquaad meme is back

With the new Shrek 5 trailer getting fans talking, many people are rediscovering the viral moment when Efron was compared to Shrek villain Lord Farquaad while filming The Iron Claw.

At the time, Efron was portraying Kevin Von Erich, the real-life wrestling champion from the legendary Von Erich family. His transformed look included a much bulkier physique, a gray cut-off tank, denim shorts, and a short brown wig with bangs, which instantly reminded social media users of Farquaad's signature hairstyle.

The jokes quickly took over social media, with fans calling it a "21st century Lord Farquaad" moment.

While the comparison became a joke, many bodybuilding and wrestling fans also praised Efron's dedication to the role, especially considering how much his physique changed for the film.

Now that Shrek 5 is back in the spotlight, the Farquaad memes are making the rounds all over again.

MAY ICC WARRANT NA VS. SEN. BONG GO?

Isiniwalat ni 1st District Davao City Rep. Pulong Duterte na may inisyu na umanong International Criminal Court (ICC) arrest warrants laban kina Sen. Bong Go at dalawang dating police officers.

Matatandaang pinangalanan ang senador bilang indirect co-perpetrator sa crimes against humanity case ni dating pangulong Rodrigo Duterte sa international tribunal.

"Wala na ba talagang katapusan ang administrasyong ito sa paggamit ng ICC bilang political weapon laban sa kanilang mga kalaban?" bahagi ng social media post ng kongresista.

Wala pang kumpirmasyon mula sa mga awtoridad kung may katotohanan ang alegasyon ni Rep. Duterte.

SEN. RISA VS. SEN. PIA

Naging mainit ang diskusyon nina Sen. Risa Hontiveros at Sen. Pia Cayetano patungkol sa amendments sa panukalang Magna Carta of Barangay Health Workers.

Inireklamo ni Cayetano ang pagsasara ni Hontiveros sa period of amendments sa naturang panukala.

Paliwanag ni Hontiveros, wala namang senador na nagsumite ng kanilang individual amendments kaninang umaga.

"Her honor put on record that no amendments were submitted. None may have been submitted, but our name is on the list to propose amendments," reklamo naman ni Sen. Pia.

Thank you to the Majority Floor Leader, who was gracious enough to allow us to still propose our amendmens.
SEN. HONTIVEROS
You're welcome, Mr. President.
SEN. CAYETANO
I thank the Majority Floor Leader, not Your Honor because Your Honor closed the period of amendments despite our name being there.
SEN. HONTIVEROS

WHO IS YOUR LORD, Jesus Is Lord Church?

Shame on you for being associated as a BORN AGAIN CHRISTIAN but can't stand for justice and truth. Shame on you for tainting the Body of Christ. Shame on you for being swayed politically and leading this nation into supporting laws and policies that STRIPPED THIS NATION WITH TRILLIONS OF CORRUPTION!

I don't know you personally, Senator Joel Villanueva, I don't know what were your compromises that led you to "dance with the devil." You should stop calling yourself "Pastor" or representing the Church because after all, JESUS IS NOT YOUR LORD.

You are not standing for truth anymore. Sayang yung YEARS mo na binatikos ang FLOOD CONTROL PROJECTS, but here you are, siding with the same spirit that protects it. Or are you one of them all along?

You don't stand for justice for the millions of Filipinos who were oppressed by corruption anymore.

You are just another politician hiding under the shadows of the Christian Vote.

9:27 PM

shadows of the Christian Vote.

In this time when your stand would have been needed by the nation, YOU FAILED US.

May you find your way back to God in time. Nonetheless, this will already be a part of your life, your story, your legacy.

Shame.

"Not everyone who says to me, 'Lord, Lord,' will enter the kingdom of heaven, but only the one WHO DOES THE WILL of my Father who is in heaven." (Matthew 7:21, NIV)

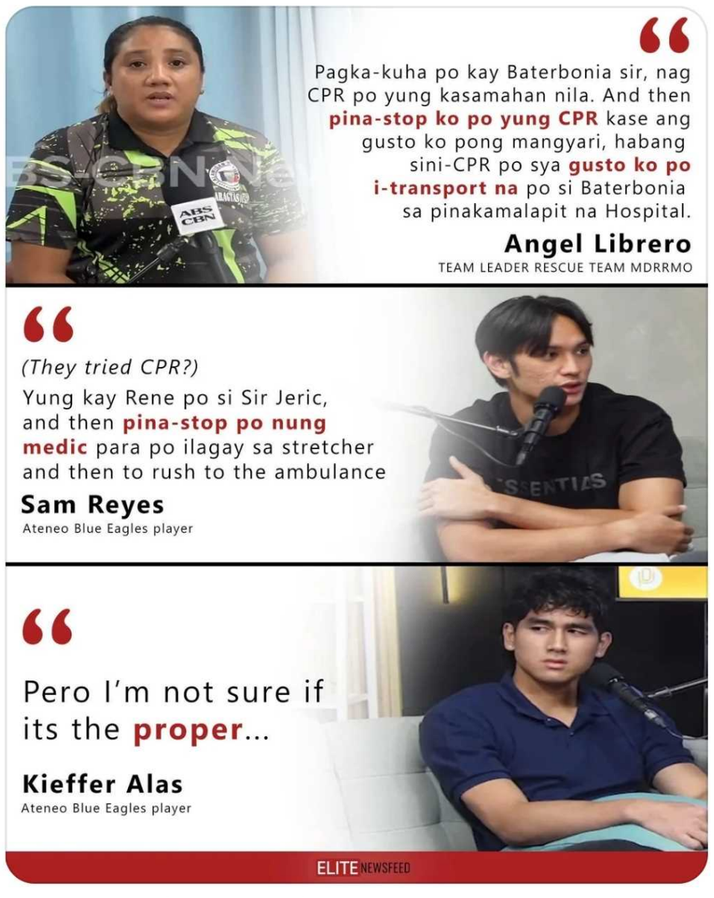
Bakit Pinatigil ang CPR? Rescue Team Leader Nagbigay ng paliwanag



Pagka-kuha po kay Baterbonia sir, nag CPR po yung kasamahan nila. And then pina-stop ko po yung CPR kase ang gusto ko pong mangyari, habang sini-CPR po sya gusto ko po i-transport na po si Baterbonia sa pinakamalapit na Hospital.

Deparo Residences
Brgy. 168, Deparo, Caloocan
National Housing Authority (NHA) and the Local Government of Caloocan
Ang Deparo Residences sa Brgy. 168, Deparo, Caloocan ay isang modernong 5-storey mid-rise community na may 1,560 ready-for-move-in units. Maganda ang lokasyon nito para sa mga nagsisimulang pamilya at working professionals dahil malapit ito sa Deparo Elementary School at Deparo High School, kaya't madali ang paghatid-sundo ng mga anak. Ilang minuto lang ang layo sa mga malls, minimarts, at iba pang pamilihan para sa araw-araw na pangangailangan. Dahil malapit ito sa boundary ng Quezon City, mas magaan ang biyahe papunta sa trabaho o ibang mahahalagang lugar sa Metro Manila.
